Thereafter, the Stockholder shall have the right to designate the Stockholder Designee or a successor thereto and, as long as such Stockholder Designee satisfies the requirements of Section 3.1(b), the governance guidelines of the Company, as in effect from time to time and is otherwise reasonably acceptable to the Board and the Corporate Governance and Nominating Committee of the Board (including any successor committee, the “Nominating Committee”), the Company shall use its reasonable best efforts to cause the Stockholder Designee to be included in the slate of Directors approved by the Board for election at each meeting of stockholders of the Company at which directors are elected; provided, however, that if for any period greater than 30 consecutive days the Stockholder shall Beneficially Own Voting Securities representing less than the applicable Ownership Threshold, the Stockholder shall promptly cause the Stockholder Designee to resign and the contractual right of the Stockholder to designate a Director pursuant to this Section 3.1(a) or otherwise shall terminate.

(b) The Stockholder Designee shall, in the reasonable judgment of the Nominating Committee and the Board, (i) have the requisite skill and experience to serve as a director of a publicly traded company, (ii) not be prohibited or disqualified from serving as a director of the Board pursuant to any rule or regulation of the SEC or NYSE or by applicable law, and (iii) satisfy the governance guidelines of the Company, as in effect from time to time, and the Organizational Documents of the Company and otherwise satisfy the qualification standards to serve as a Director set forth in the Company’s Corporate Governance Guidelines, as they may be amended from time to time. The Stockholder shall, and shall cause the Stockholder Designee to, timely provide the Company with accurate and complete information relating to the Stockholder and the Stockholder Designee that may be required to be disclosed by the Company under the Securities Act or the Exchange Act, including such information required to be furnished by the Company with respect to the Stockholder Designee in a proxy statement pursuant to Rule 14a-101 promulgated under the Exchange Act. In addition, at the Company’s request, the Stockholder shall cause the Stockholder Designee to complete and execute the Company’s director and officer questionnaire prior to being admitted to the Board or standing for reelection at an annual meeting of stockholders or at such other time as may be reasonably requested by the Company.

(c) Not less than 120 days prior to each meeting of stockholders of the Company at which directors are to be elected (assuming for these purposes that each annual

meeting shall be held on the anniversary of the prior year's annual meeting), the Stockholder shall provide the Company with written notice of the name of the Stockholder Designee to be nominated for election at such meeting. If it is determined that a Stockholder Designee does not satisfy the requirements of Section 3.1(a) and 3.1(b), or if such Stockholder Designee is not available or eligible to stand for election, then the Stockholder may attempt to name an acceptable and available replacement designee and any such designee satisfying the requirements set forth herein will be included as a nominee for election at such meeting if written notice of the name of such Stockholder Designee is provided to the Company within a reasonable period of time prior to the mailing of the proxy statement for such meeting.

If such Stockholder Designee is not appointed, at the request of the Stockholder, the Company will discuss with the Stockholder the appointment of an alternative Stockholder Designee.

Stockholder Designee in such Stockholder Designee's capacity as a Director in any manner adverse to the Company or in violation of duties under law. Section 5.2 Legends on Purchaser Shares; Securities Act Compliance. (a) Each share certificate representing Purchaser Shares shall bear the following legends (and a comparable notation or other arrangement will be made with respect to any uncertificated Purchaser Shares):

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE BEEN ACQUIRED FOR INVESTMENT AND HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED. SUCH SHARES MAY NOT BE SOLD OR TRANSFERRED IN THE ABSENCE OF SUCH REGISTRATION OR UNLESS THE ISSUER RECEIVES AN OPINION OF COUNSEL REASONABLY ACCEPTABLE TO IT STATING THAT

SUCH SALE OR TRANSFER IS EXEMPT FROM THE REGISTRATION AND PROSPECTUS DELIVERY REQUIREMENTS OF SAID ACT.”

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO THE PROVISIONS OF A STOCKHOLDER’S AGREEMENT, DATED AS OF MARCH 20, 2011, TO WHICH THE ISSUER AND CERTAIN OF ITS STOCKHOLDERS ARE PARTY, A COPY OF WHICH MAY BE INSPECTED AT THE PRINCIPAL OFFICE OF THE ISSUER OR OBTAINED FROM THE ISSUER WITHOUT CHARGE.”

(b) The Stockholder agrees that it will, if requested by the Company, deliver at its expense to the Company an opinion of reputable U.S. counsel selected by the Stockholder and reasonably acceptable to the Company, in form and substance reasonably satisfactory to the Company and counsel for the Company, that any Transfer made other than in connection with a registered public offering by the Company does not require registration under the Securities Act.

(c) In connection with any Transfer pursuant to Section 5.1(c), the Company shall remove such portion of the legend described in Section 5.2(a) as is appropriate under the circumstances. At such time as the Stockholder delivers at its expense to the Company an opinion of reputable U.S. counsel selected by the Stockholder and reasonably acceptable to the Company, in form and substance reasonably satisfactory to the Company and counsel for the Company, that all of the Purchaser Shares may be freely sold without registration under the Securities Act, the Company agrees that it will promptly after the later of the delivery of such opinion and the delivery by the Stockholder to the Company or its transfer agent of a certificate (in the case of a transfer, in the proper form for transfer) representing Purchaser Shares issued with the foregoing restrictive legend, deliver or cause to be delivered to the Stockholder a stock certificate representing such Purchaser Shares that is free from the first paragraph of the legend described above (or in the case of uncertificated shares, free of any notation related to such paragraph).

ARTICLE VI

REGISTRATION RIGHTS

Section 6.1 Demand Request. (a) Following the first anniversary of the Closing, the Company shall, as promptly as reasonably practicable following the written request of the Stockholder for registration under the Securities Act of all or part of the Registrable Shares (a “Demand Request”), file a registration statement with the SEC (a “Demand Registration Statement”) with respect to resales of the Registrable Shares pursuant to the Stockholder’s intended method of distribution thereof, and shall, subject to the terms of this Article VI, use its reasonable best efforts to cause such Demand Registration Statement to be declared effective under the Securities Act promptly after the filing thereof; provided that such Demand Registration Statement shall be filed on (i) Form S-3, if the Company is then eligible to file a registration statement on Form S-3 (pursuant to the General Instructions to Form S-3) (“S-3 Eligible”), or (ii) any other appropriate form under the Securities Act for the type of offering

contemplated by the Stockholder, if the Company is not then S-3 Eligible; provided, further, that in no event shall the Company be required to file any Demand Registration Statement providing for the offering of the Registrable Shares on a delayed or continuous basis pursuant to Rule 415 promulgated under the Securities Act, but it may elect to do so in its sole discretion. Each Demand Request shall specify the aggregate amount of Registrable Shares to be registered and the intended method or methods of distribution thereof.

(b) Notwithstanding anything to the contrary set forth in Section 6.1(a), the Company shall not be obligated to prepare, file or cause a Demand Registration Statement to become effective:

(i) more than (A) two times in any 12-month period and (B) five times in the aggregate;

(ii) unless the Registrable Shares to be included in such Demand Registration Statement (A) have an aggregate Market Value on the date such request for registration is received by the Company of at least \$500 million based on the closing price of the Common Stock on the trading day immediately preceding the day on which the Demand Request is delivered or (B) represent at least 10% of the total Registrable Shares issued at the Closing (as adjusted for any stock splits, reverse stock splits, stock dividends or distributions, combinations or any similar recapitalizations); and

(iii) within 90 days after the effective date of a registration statement filed pursuant to Section 6.1(a) or a registration statement to which the Stockholder was given piggy-back rights pursuant to Section 6.2 (provided that the number of Registrable Shares included in such Piggy-Back Registration was not less than 50% of the number of Registrable Shares requested to be registered by the Stockholder pursuant to the Piggy-Back Request related to such Piggy-Back Registration).

(c) Any Demand Request may be revoked by notice from the Stockholder to the Company prior to the effective date of the corresponding Demand Registration Statement; provided that such revoked Demand Request shall count as one of the five Demand Requests referred to in Section 6.1(a) unless the Company as promptly as reasonably practicable is reimbursed for all out-of-pocket expenses (including fees of outside counsel and accountants and other expenses incurred in connection with such Demand Request) incurred by the Company relating to the registration requested pursuant to such revoked Demand Request. A Demand Request may not be made for a minimum of 60 calendar days after the revocation of an earlier Demand Request.

(d) Notwithstanding anything in this Agreement to the contrary, the Company shall be entitled to postpone and delay, for reasonable periods of time not in excess of 60 days, but in no event more than twice in any 12-month period (a "Blackout Period"), the filing or effectiveness of any registration statement or the offer or sale of any Registrable Shares thereunder if one or more executive officers of the Company shall determine in good faith that any such filing or the offering or sale of any Registrable Shares thereunder would (i) impede, delay or otherwise interfere with any pending or contemplated material acquisition, disposition, corporate reorganization or other similar material transaction involving the Company, (ii) based

upon advice from the Company's investment banker or financial advisor, adversely affect in more than an immaterial respect any pending or contemplated financing, offering or sale of any class of securities by the Company, (iii) require disclosure of material non-public information (other than information relating to an event described in clause (i) or (ii) above) which, if disclosed at such time, would not be in the best interests of the Company and its stockholders, or (iv) have a material adverse effect on the Company; provided, however, that the Company shall give written notice to the Stockholder of its determination to postpone or delay the filing of such Demand Registration Statement or other imposition of a Blackout Period, in which case the Stockholder shall be entitled to cancel its Demand Request relating to such Demand Registration without such Demand Request counting as one of the Demand Requests referred to in Section 6.1(a); provided, further, that in the event that the Company proposes to register Common Stock, whether or not for sale for its own account, during a Blackout Period, the Stockholder shall have the right to exercise its rights under Section 6.2 with respect to such registration, subject to the limitations contained in this Agreement on the exercise of such rights. Upon notice by the Company to the Stockholder of any such determination, the Stockholder shall, except as required by applicable law, including any disclosure obligations under Section 13 of the Exchange Act, keep the fact of any such notice strictly confidential, and during any Blackout Period, promptly halt any offer, sale, trading or transfer by it of any Common Stock for the duration of the Blackout Period set forth in such notice (or until such Blackout Period shall be earlier terminated in writing by the Company) and promptly halt any use, publication, dissemination or distribution of any prospectus or prospectus supplement covering such Registrable Shares for the duration of the Blackout Period set forth in such notice (or until such Blackout Period shall be earlier terminated in writing by the Company) and, if so directed by the Company, shall deliver to the Company any copies then in its possession of any such prospectus or prospectus supplement.

(e) In connection with any offering pursuant to a Demand Registration Statement filed pursuant to Section 6.1(a), the managing underwriter for such offering shall be selected by the Stockholder and reasonably acceptable to the Company; provided that such managing underwriter shall be a nationally recognized investment banking firm.

(f) Nothing in this Article VI shall affect, supersede or otherwise modify any of the restrictions on Transfer set forth in Article V or any other provision of this Agreement.

Section 6.2 Piggy-Back Registration. (a) If, at any time following the first anniversary of the Closing, the Company proposes or is required to register any Common Stock under the Securities Act on its behalf or on behalf of any of its stockholders, on a form and in a manner that would permit registration of the Registrable Shares (other than in connection with dividend reinvestment plans, rights offerings or a registration statement on Form S-4 or S-8 or any similar successor form), the Company shall give the Stockholder prompt written notice of its intent to do so not less than 15 Business Days prior to the contemplated filing date for such registration statement. Upon the written request of the Stockholder (a "Piggy-Back Request"), given within five Business Days following the time that the Stockholder was given any such written notice (which request shall specify the number of Registrable Shares requested to be registered on behalf of the Stockholder) (the "Piggy-Back Shares"), the Company shall include in such registration statement (a "Piggy-Back Registration"), subject to the provisions of this Section 6.2 and, in the case of a registration on behalf of any of the Company's stockholders,

subject to the rights of such stockholders, the number of Registrable Shares set forth in such Piggy-Back Request.

(b) In the event that the Company proposes or is required to register Common Stock in connection with an underwritten offering and a nationally recognized investment banking firm selected by the Company to act as managing underwriter thereof reasonably and in good faith shall have advised the Company, the Stockholder or any other holder of Common Stock intending to offer Common Stock in the offering (each, an “Other Holder”) in writing that, in its opinion acting in good faith, the inclusion in the registration statement of some or all of the Registrable Shares sought to be registered by the Stockholder would adversely affect the price or success of the offering, the Company shall include in such registration statement such number of shares of Common Stock as the Company is advised can be sold in such offering without such an effect (the “Maximum Number”) as follows and in the following order of priority: (i) first, such number of shares of Common Stock as the Company intended to be registered and sold by the Company or, if such registration is on behalf of any Other Holders exercising a contractual right to demand registration pursuant to which such registration statement was filed, such number of shares of Common Stock as such Other Holders intended to be registered and sold, and (ii) second, if and to the extent that the number of shares of Common Stock to be registered under clause (i) is less than the Maximum Number, such number of shares of Common Stock as the Stockholder and any Other Holders or additional Other Holders (if such registration was not initiated by such Other Holders) shall have intended to register which, when added to the number of shares of Common Stock to be registered under clause (i), is less than or equal to the Maximum Number, on a *pro rata* basis according to the total number of shares of Common Stock Beneficially Owned by each such Person.

Section 6.3 Termination of Registration Obligation. The obligation of the Company to register Registrable Shares pursuant to this Article VI and maintain the effectiveness of any Demand Registration Statement filed pursuant to Section 6.1(a) shall terminate on the later of (a) the fifth anniversary of the Closing and (b) the first date on which the Stockholder Beneficially Owns Purchaser Shares representing less than the applicable Ownership Threshold.

Section 6.4 Registration Procedures. (a) In connection with each registration statement prepared pursuant to this Article VI pursuant to which Registrable Shares will be offered and sold, and in accordance with the intended method or methods of distribution of the Registrable Shares as described in such registration statement, the Company shall:

(i) use its reasonable best efforts to, as promptly as reasonably practicable, prepare and file with the SEC a registration statement on an appropriate registration form of the SEC and cause such registration statement to become effective under the Securities Act promptly after the filing thereof, which registration statement shall comply as to form in all materials respects with the requirements of the applicable form and include all financial statements required by such form to be filed therewith; provided that before filing a registration statement or prospectus or any amendments or supplements thereto, the Company shall furnish to one counsel selected by the Stockholder draft copies of all such documents proposed to be filed at least two Business Days prior to such filing, which documents will be subject to the reasonable review and comment of the

Stockholder and its agents and Representatives and the underwriters, if any, and the Company shall not file any amendment or supplement to a Demand Registration Statement filed pursuant to Section 6.1(a) to which the Stockholder or the underwriters, if any, shall reasonably object;

(ii) use its reasonable best efforts to, as promptly as reasonably practicable, furnish without charge to the Stockholder, and the underwriters, if any, at least one conformed copy of the registration statement and each post-effective amendment or supplement thereto (including all schedules and exhibits but excluding all documents incorporated or deemed incorporated therein by reference, unless requested in writing by the Stockholder or an underwriter, except to the extent such exhibits and schedules are currently available via the SEC's Electronic Data Gathering, Analysis and Retrieval System ("EDGAR")) and such number of copies of the registration statement and each amendment or supplement thereto (excluding exhibits and schedules) and the summary, preliminary, final, amended or supplemented prospectuses included in such registration statement as the Stockholder or such underwriter may reasonably request in order to facilitate the public sale or other disposition of the Registrable Shares being sold by the Stockholder (the Company hereby consents to the use in accordance with the U.S. securities laws of such registration statement (or post-effective amendment thereto) and each such prospectus (or preliminary prospectus or supplement thereto) by the Stockholder and the underwriters, if any, in connection with the offering and sale of the Registrable Shares covered by such registration statement or prospectus);

(iii) use its reasonable best efforts to keep such registration statement effective until the date that is 45 days after the date such registration statement is initially declared effective (or such shorter period as shall terminate when all of the securities covered by the registration statement have been disposed or withdrawn, or if such registration statement relates to a firm commitment underwritten offering, such longer period as, in the opinion of counsel for the underwriters for such offering, a prospectus is required under the Securities Act to be delivered in connection with sales of Registrable Shares by an underwriter or dealer, but not in excess of 90 days) (the "Effective Period"), prepare and file with the SEC such amendments, post-effective amendments and supplements to the registration statement and the prospectus as may be necessary to maintain the effectiveness of the registration for the Effective Period) and cause the prospectus (and any amendments or supplements thereto) to be filed with the SEC;

(iv) use its reasonable best efforts to, as promptly as reasonably practicable, register or qualify the Registrable Shares covered by such registration statement under such other securities or "blue sky" laws of such jurisdictions in the United States as are reasonably necessary, keep such registrations or qualifications in effect for so long as the registration statement remains in effect, and do any and all other acts and things which may be reasonably necessary to enable the Stockholder or any underwriter to consummate the disposition of the Registrable Shares in such jurisdictions; provided, however, that in no event shall the Company be required to (A) qualify to do business as a foreign corporation in any jurisdiction where it would not, but for the requirements of this subparagraph (iv), be required to be so qualified, (B) execute or file any general consent to service of process under the laws of any jurisdiction, (C) take any action that

would subject it to service of process in suits other than those arising out of the offer and sale of the securities covered by the registration statement, or (D) subject itself to taxation in any jurisdiction where it would not otherwise be obligated to do so, but for this paragraph (iv);

(v) use its reasonable best efforts to, as promptly as reasonably practicable, cause all Registrable Shares covered by such registration statement to be listed (after notice of issuance) on the NYSE or on the principal securities exchange or interdealer quotation system on which the Common Stock is then listed or quoted;

(vi) use its reasonable best efforts to promptly notify the Stockholder and the managing underwriter or underwriters, if any, after becoming aware thereof, (A) when the registration statement or any related prospectus or any amendment or supplement thereto has been filed, and, with respect to the registration statement or any post-effective amendment, when the same has become effective, (B) of any request by the SEC or any U.S. state securities authority for amendments or supplements to the registration statement or the related prospectus or for additional information, (C) of the issuance by the SEC of any stop order suspending the effectiveness of the registration statement or the initiation of any proceedings for that purpose, (D) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Registrable Shares for sale in any jurisdiction or the initiation of any proceeding for such purpose, or (E) within the Effective Period of the happening of any event or the existence of any fact which makes any statement in the registration statement or any post-effective amendment thereto, prospectus or any amendment or supplement thereto, or any document incorporated therein by reference untrue in any material respect or which requires the making of any changes in the registration statement or post-effective amendment thereto or any prospectus or amendment or supplement thereto so that they will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(vii) during the Effective Period, use its reasonable best efforts to obtain, as promptly as practicable, the withdrawal of any order enjoining or suspending the use or effectiveness of the registration statement or any post-effective amendment thereto or the lifting of any suspension of the qualification of any of the Registrable Shares for sale in any jurisdiction at the earliest date reasonably practicable;

(viii) use its reasonable best efforts to deliver promptly to the Stockholder and the managing underwriters, if any, copies of all correspondence between the SEC and the Company, its counsel or auditors and all memoranda relating to discussions with the SEC or its staff with respect to the registration statement (except to the extent such correspondence is currently available via EDGAR) and permit the Stockholder to do such investigation with respect to information contained in or omitted from the registration statement as it deems reasonably necessary for the purpose of conducting customary due diligence with respect to the Company; provided that any such investigation shall not interfere unreasonably with the Company's business;

(ix) use its reasonable best efforts to, as promptly as reasonably practicable, provide and cause to be maintained a transfer agent and registrar for all Registrable Shares covered by such registration statement not later than the effective date of such registration statement;

(x) use its reasonable best efforts to cooperate with the Stockholder and the managing underwriter or underwriters, if any, to facilitate the timely preparation and delivery of certificates representing the Registrable Shares to be sold under the registration statement in a form eligible for deposit with the Depository Trust Corporation not bearing any restrictive legends (other than as required by the Depository Trust Corporation) and not subject to any stop transfer order with any transfer agent, and cause such Registrable Shares to be issued in such denominations and registered in such names as the managing underwriters, if any, may request in writing or, if not an underwritten offering, in accordance with the instructions of the Stockholder, in each case at least two Business Days prior to any sale of Registrable Shares;

(xi) in the case of a firm commitment underwritten offering, use its reasonable best efforts to, as promptly as reasonably practicable, enter into an underwriting agreement customary in form and substance (taking into account the Company's prior underwriting agreements) for firm commitment underwritten secondary offerings of the nature contemplated by the applicable registration statement;

(xii) use its reasonable best efforts to, as promptly as reasonably practicable, obtain an opinion from the Company's counsel and a "cold comfort" letter from the Company's independent public accountants (and, if necessary, any other independent certified public accountants of any Subsidiary of the Company or of any business acquired by the Company for which financial statements and financial data is, or is required to be, included in the registration statement) in customary form and covering such matters as are customarily covered by such opinions and "cold comfort" letters in connection with an offering of the nature contemplated by the applicable registration statement;

(xiii) use its reasonable best efforts to, as promptly as reasonably practicable, provide to counsel to the Stockholder and to the managing underwriters, if any, and no later than the time of filing of any document which is to be incorporated by reference into the registration statement or prospectus (after the initial filing of such registration statement), copies of any such document;

(xiv) cause its officers to use their commercially reasonable efforts to support the marketing of the Registered Shares covered by the registration statement;

(xv) otherwise use its commercially reasonable efforts to comply with all applicable rules and regulations of the SEC and any applicable national securities exchange; and

(xvi) use its commercially reasonable efforts to comply with the requirements of Rule 144(c)(1) with respect to public information about the Company.

(b) In the event that the Company would be required, pursuant to Section 6.4(a)(vi)(E), to notify the Stockholder or the managing underwriter or underwriters, if any, of the happening of any event specified therein, the Company shall, subject to Section 6.1(c), as promptly as practicable, prepare and furnish to the Stockholder and to each such underwriter a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to purchasers of Registrable Shares that have been registered pursuant to this Agreement, such prospectus shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. The Stockholder agrees that, upon receipt of any notice from the Company pursuant to Section 6.4(a)(vi)(E), it shall, and shall use its reasonable best efforts to cause any sales or placement agent or agents for the Registrable Shares and the underwriters, if any, to forthwith discontinue disposition of the Registrable Shares until such Person shall have received copies of such amended or supplemented prospectus and, if so directed by the Company, to destroy all copies, other than permanent file copies, then in its possession of the prospectus (prior to such amendment or supplement) covering such Registrable Shares as soon as practicable after the Stockholder's receipt of such notice.

(c) The Stockholder shall furnish to the Company in writing such information regarding the Stockholder and its intended method of distribution of the Registrable Shares as the Company may from time to time reasonably request in writing in order for the Company to comply with its obligations under all applicable securities and other laws and to ensure that the prospectus relating to such Registrable Shares conforms to the applicable requirements of the Securities Act and the rules and regulations thereunder. If the Stockholder fails to provide the requested information within 15 Business Days of the receipt by the Stockholder of such request, the Company shall be entitled to refuse to register the Registrable Shares in the applicable registration statement. The Stockholder shall notify the Company as promptly as practicable of any inaccuracy or change in information previously furnished by the Stockholder to the Company or of the occurrence of any event, in either case as a result of which any prospectus relating to the Registrable Shares contains or would contain an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and promptly furnish to the Company any additional information required to correct and update any previously furnished information or required so that such prospectus shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(d) (i) If requested by the managing underwriter for an underwritten offering (primary or secondary) of any equity securities of the Company, the Stockholder agrees not to effect any Transfer of any Registrable Shares, including any sale pursuant to Rule 144 under the Securities Act, and not to effect any Transfer of any other equity security of the Company (in each case, other than as part of such underwritten public offering) during the ten days prior to, and during the 90-day period (or such longer period as the Stockholder agrees with the underwriter of such offering) beginning on, the consummation of any underwritten public offering covered by a registration statement referred to in Section 6.2 if the Stockholder is permitted to include Registrable Shares thereunder.

(ii) The Company hereby agrees that if it shall previously have received a request pursuant to Section 6.1 for registration of Registrable Shares in an underwritten offering, and if such previous registration shall not have been withdrawn or abandoned, the Company, if requested by the managing underwriter for such underwritten offering, shall not transfer to a third party or third parties any Common Stock, any other equity security of the Company or any security convertible into or exchangeable for any equity security of the Company until the earlier of (A) 90 days after the effective date of such registration statement and (B) such time as all of the Registrable Shares covered by such registration statement have been distributed; provided, however, that notwithstanding the foregoing, the Company may transfer Common Stock or such other securities (1) as part of such underwritten offering, (2) pursuant to a registration statement on Form S-8 or Form S-4 under the Securities Act or any successor or similar form, (3) as part of a transaction under Rule 145 of the Securities Act, (4) in one or more private transactions that would not interfere with the method of distribution contemplated by such registration statement, or (5) if such transfer was publicly announced or agreed to in writing by the Company prior to the date of the receipt of such request pursuant to Section 6.1.

(e) In the case of any underwritten offering of shares of Common Stock registered under a Demand Registration Statement filed pursuant to Section 6.1(a), or in the case of a registration under Section 6.2 if the Company has entered into an underwriting agreement in connection therewith, all shares of Common Stock to be included in such offering or registration, as the case may be, shall be subject to the applicable underwriting agreement and no Person may participate in such offering or registration unless such Person agrees to sell such Person's securities on the basis provided therein and completes and executes all questionnaires, indemnities, underwriting agreements and other documents (other than powers of attorney) which must be executed in connection therewith, and provides such other information to the Company or the underwriter as may be reasonably requested to offer or register such Person's Common Stock.

Section 6.5 Registration Expenses. The Stockholder shall bear all agent fees and commissions, underwriting discounts and commissions and fees and disbursements of its counsel and accountants in connection with any registration of any Registrable Shares pursuant to Section 6.1 or 6.2. The Company shall bear all other fees and expenses in connection with any registration statement pursuant to Section 6.1 or 6.2, including all registration and filing fees, all printing costs and all fees and expenses of counsel and accountants for the Company.

Section 6.6 Indemnification; Contribution. (a) The Company shall, and it hereby agrees to, indemnify and hold harmless the Stockholder and its controlling Persons, if any, and each underwriter and its controlling Persons, if any, in any offering or sale of the Registrable Shares, against any losses, claims, damages or liabilities, actions or proceedings (whether commenced or threatened) in respect thereof and expenses (including reasonable fees of counsel) (collectively, "Claims") to which each such indemnified party may become subject, insofar as such Claims (including any amounts paid in settlement effected with the consent of the Company as provided herein), or actions or proceedings in respect thereof, arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any registration statement, or any preliminary or final prospectus contained therein, or any amendment or supplement thereto, or any document incorporated by reference therein, or arise out of or are based upon any omission or alleged omission to state therein a material fact

required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, and the Company shall, and it hereby agrees to, reimburse periodically the Stockholder or any such underwriter for any legal or other out-of-pocket expenses reasonably incurred by them in connection with investigating or defending any such Claims; provided, however, that the Company shall not be liable to any such Person in any such case to the extent that any such Claims arise out of or are based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such registration statement, or preliminary or final prospectus, or amendment or supplement thereto, in reliance upon information furnished to the Company by the Stockholder, any underwriter or any Representative of the Stockholder, expressly for use therein, or by the Stockholder's failure to furnish the Company, upon request, with the information with respect to the Stockholder, or any underwriter or Representative of the Stockholder, or the Stockholder's intended method of distribution, that is the subject of the untrue statement or omission.

(b) The Stockholder shall, and hereby agrees to, (i) indemnify and hold harmless the Company, its directors, officers, employees and controlling Persons, if any, and each underwriter, its partners, officers, directors, employees and controlling Persons, if any, in any offering or sale of Registrable Shares against any Claims to which each such indemnified party may become subject, insofar as such Claims (including any amounts paid in settlement as provided herein), or actions or proceedings in respect thereof, arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any registration statement, or any preliminary or final prospectus contained therein, or any amendment or supplement thereto, or any document incorporated by reference therein, or arise out of or are based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case only to the extent that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by the Stockholder expressly for use therein, and (ii) reimburse the Company for any legal or other out-of-pocket expenses reasonably incurred by the Company in connection with investigating or defending any such Claim.

(c) The Stockholder and the Company agree that if, for any reason, the indemnification provisions contemplated by Section 6.6(a) or 6.6(b) are unavailable to or are insufficient to hold harmless an indemnified party in respect of any Claims referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such Claims in such proportion as is appropriate to reflect the relative fault of the indemnifying party, on the one hand, and the indemnified party, on the other hand, with respect to the applicable offering of securities. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such indemnifying party or by such indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. If, however, the allocation in the first sentence of this Section 6.6(c) is not permitted by applicable law, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative faults, but also the relative benefits of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations. The parties hereto agree that it
